Alita

Alita Toro woke up bright and early to do something nice for her man. Stretching over the hood and bending down to clean his car made her big, round boobs burst out of her teeny bikini. Once her man sees her that body sprawled across the car, what better reward was there than a cool shower a long, hot, fuck?

I should wash the car more often!

WE WISH THIS WOULD HAPPEN TO US

R & R

Rest and recuperation are important to members of the military. It lets us have time to ourselves so that we can sharpen our edge when we return to duty. Most of the time, R&R is like a little vacation; nice to have, but mostly forgettable. Like most tasks and events, they start to roll together or even vanish from importance. But the R&R I had last year almost made me start thinking about leaving the service.

That was the weekend I met Maria and Rebecca, hot Latina teachers with bright hazel eyes, dark olive flesh, and flowing brown hair. I can still see them clear as day now as I write this. We met as I was disembarking from the ship, and they were there with a large group of students who were cleaning the beach near the base. I was surprised more than anything and might have passed them by com-

pletely if it wasn't for the fact that they were almost mirror images of each other and the double take that got me to look a second time.

I diverted from my plan to go check into the hotel and start checking out the bars to introduce myself and ask them what they were doing. They said they were both teachers who encouraged their students to give back to the community by organizing events like this one. Feeling something for their work, I invited them back to the hotel bar after they were done.

Honestly, I didn't really expect either one of them to show, much less both, content to spend the evening nursing a few drinks and watching the game. So, I was surprised when they came up and sat on either side of me, working in tandem to order drinks and remind the bartender (and me) that it was on my tab.

I had to laugh that one off, but it was well worth it as they stayed with me through dinner and to the end of the late game before Maria suggested we head upstairs. I had to do a double take again as she apparently meant both of them, now standing around me expecting me to lead the way.

That I did, up to the room, unlocking it to let the women in, certainly surprised but in no way disappointed with how the evening was going so far. And the first signs once we got in were only better.

They positioned themselves on either side of me and started undressing me, pulling off my jacket and undershirt to reveal my well-trained frame, which their fingertips started to quickly caress. I couldn't believe what was happening, but went with it anyway, watching as they both disrobed before me.

They positioned themselves on either side of me and started undressing me, pulling off my jacket and undershirt to reveal my well-trained frame...

They took turns and shared me, somehow managing to stay out of each other's way. Maria got to her knees to start servicing my cock while Rebecca leaned over me so I could play with her large, round pillows, moving between each of the erect nipples carefully, my hands moving down her bare hips and legs, teasing towards her ass and crotch.

Then they would swap and Maria would make out with me while Rebecca jacked me off with her surprisingly agile feet. Back and forth they went, taking care of me and ensuring I was fully hard before they lay down next to each other, legs in the air for me.

I wasn't about to stop there, and I slid my dick into each of them a few times before letting myself start a rhythm with Rebecca. I pushed myself to the edge, getting fiercer and harder the longer I went, but pulling out right before I shot out and held it back before offering the same to Maria. I watched their faces, the way they both contorted and twisted as I moved back and forth between them, getting to each of them twice before I unloaded the first time, filling Maria with my thick juice.

I wasn't content to leave it at that, and neither were they, both quickly going back into their foreplay pattern until I had recovered, only a few minutes, before Maria urged me back to Rebecca. I pulled her up on the bed and took her in piledriver position, grunting

and moaning as a second wave of pleasure coursed through me, and it wasn't long before I had filled up the second one.

They stayed at my side for the night, and the next day, they took

me on a tour of some of the places their students helped in the community. After two more nights of their company, I found that I had to return to duty with a lot to think about and two new photos in my wallet.

THE BASTARD

I'm writing as a lesson for all you men and women if you decide to cheat on your significant other. A

Rebecca's super hot...

When I first saw Club Latina a year or so ago, I was fascinated by the ladies in the issue. Over the year, I have noted some of my favorites, and Rebecca Linares is right up there. Perhaps my favorite.

I've been happily married for almost ten years, and love my husband dearly, and often. We're pretty liberal when it comes to sex and have a subscription to adult magazines. Why? Well, when I met my now husband, he had a huge DVD collection of porn.

It took a while for me to understand, but eventually, I did, and began

watching with him. Of course it led to some wild sex, but that's not the point. We would have fun rating the videos and the porn stars. We were especially hard on (no pun intended) the guys. But when we rated the ladies during those times, Rebecca was always at the top. And now, with enhanced breasts, she's even more delectable. Can't wait to see more!

— Aurora, Houston

I rode him faster and faster, grinding my pelvis into his, rubbing my clit against the base of his cock and I heard him grunt as he began to fill me.

couple months ago I had to attend a meeting at a hotel conference center near the airport. Some of my work material I needed was at the house, which is on the way to the hotel, so I stopped in to pick them up. I noticed my husband's car in the driveway and thought he had come home from work early.

him to say something.

"Baby, it's just not what it looks like." He whimpered, but I hushed him putting my lips against his, sliding my tongue along them. "I know this happened because I'm working too much?" I pouted, pulling off my blouse and bra. He looked dumb-

sex ground into mine and not too much later his hand struck my ass. Again, and then again. I rode him faster and faster, grinding my pelvis into his, rubbing my clit against the base of his cock and I heard him grunt as he began to fill me. It was a thick load and it overflowed out of my pussy. A few thrusts later and I finally achieved mine, squirting onto his cock and falling onto his chest. "I love you." I panted before kissing his cheek. I went down and began to lap up our cum and he grew hard again.

I gripped him and sucked on his cock. I loved massaging his balls. I loved everything about them. I leaned down and sucked on them while his cock grew thicker and harder, I wanted to him to fuck my boobs. I pulled him to sit up but before he could question what I was doing I was rubbing the tip of his cock against my nipple. I pressed them together offering friction for his thrusts.

I loved it when he played with them because they were immensely sensitive. "I want you to cum on my tits!" He shook his head at me and I pouted until he pulled me up and shoved me against the wall to press his cock to my pussy. I moaned as he covered my mouth with his and thrust harder into me.

I moaned wrapping my legs around him, "Fuck meeeee!" He groaned and came inside me again but didn't slow down. His balls smacked against me and his panting grew heavy. Just the moans threw me over edge and I squirted all over his cock, screaming in ecstasy. We stayed that way for a few minutes and I didn't attend my meeting that afternoon.

– Katie B., Memphis

When I walked into the house and into the bedroom looking for him, I found him (the bastard) with another woman. He sat up, completely still, while she covered herself with our sheets. I quickly dropped my things and darted towards the bitch, pulling her by the hair and screaming at her. My husband, on the other hand, said nothing and just sat there.

Within several minutes of attacking the bitch, she ran out while I stood in the doorway of our bedroom looking back at him once again waiting for

founded. "I'll show you there's no other woman out there but me."

I moaned grinding his already erect cock. I lifted my skirt and massaged my clitoris "Ahh!" I whined as his lips found my neck. I was already soaking through my panties and he'd been growing impatient, I gripped his cock and pressed it against my pussy, pushing it inside me. After adjusting myself, I began bouncing on his cock, riding him hard.

I cried "Harder, do it harder." as his

I've never been a great fan of the holidays. The family pressures, travel, the awkwardness of going back home, the work that piles up, most of them are just headaches I don't really need. Most years, I do everything I can to find a reason not to go back home, but last year I just couldn't swing it. And I'm so glad I didn't find a way to get out of it.

Don't get me wrong; the whole thing started out about as bad as I could have imagined. At the same time that my mom and grandmother were asking why I hadn't settled down with a girlfriend yet, my cousin walked in and proudly introduced us all to Kat, his fiancée.

My initial reaction was that at least his announcement gave me a chance to get out from the spotlight, and as they were all saying their congratulations, I snuck out back for a cigarette and to calm

my nerves. The backyard opened out onto the woods, and I seriously started thinking about running for them the way I did when I needed to get away as a child.

I don't know how long I was out there, but I figured I must have really been missed by some-

I wasn't sure what she was running from, but given my family, I couldn't really blame her.

one when the screen door swung open behind me. I pretended not to hear it, but that didn't work very well once I saw that it was Kat who made her way out, hand reached out to ask for a drag of my cigarette. I offered both it and a seat next to me, and we sat there together in silence for a while before

she asked if I ever thought about running for the woods.

I wasn't sure what she was running from, but given my family, I couldn't really blame her. We started talking and laughing, sharing stories about our respective families, including me warning her time and again about what to expect from the family she was engaged to join. And that was when she finally dropped the bombshell: she wasn't entirely sold on my cousin just yet.

When she said that, I decided it really was time to take a walk; I'd known rumors started from quieter statements on our porch. We headed out toward the woods, reaching the tree line in a couple of minutes and going a few more trees in, where we could easily see the house, but they probably wouldn't spot us right away.

That's when I turned to ask

her about what she meant with my cousin, and in response, she wrapped her arms around me and pulled me into a fierce kiss.

I pulled away and looked at her for a second, giving her my best 'are-you-sure' face, and she replied by ripping my loose shirt open. She wasn't bad looking; 5'8 or so, with light brown hair that shimmered in the sunlight and lips of ruby red. She was lithe and thin, well framed and easily the target of most eyes most anywhere she went. I gave her a smile and decided that this was her decision, and my cousin was a prick who probably deserved this.

I brought her around and pressed her up against the nearest tree, her eyes glistening with a malicious, roguish gleam. I held her hands up above her head as I made out with her, our breaths and hearts rising as one. The sun was setting around us, making it darker and giving us even more cover. I pulled off her shirt, reveal-

ing small but perky breast poking out to meet my now-bare, hairy chest. And when she told me that she wanted me, I didn't hesitate to start tugging at my jeans.

We turned around as I pulled out my thick wad and she dropped to her knees to make out with it. Her tongue lashed over the head and slit, and I reached up, grab-

She was lithe and thin, well framed and easily the target of most eyes most anywhere she went.

bing a branch above me for stability as I began to thrust in and out of her hungry, waiting mouth.

I went as far as I dared, yet with each thrust, she still wanted more. More and deeper. I finally took a free hand and grabbed the back of her head, holding it in place as

I really started to plow her mouth. She took it well, finally gagging after several dozen thrusts. That was when we swapped positions again, and I pressed her up against the tree as I ripped through her pants. I didn't wait; as soon as I had access to her promiscuous pussy, I shoved myself in deep and hard. I wanted her to scream, wanted my cousin to hear us, almost even wanted him to see us together.

But she held it together, moaning and making out with me whenever she felt like she was close to screaming. And when I finally shot deep into her, she jumped up, wrapping her legs around me, leaving me to hold her against the tree with just my cock as I unloaded several large helpings.

As we got dressed and headed back up to the house, I thought that Kat might not be long for my cousin, but that look in her eye told me I was in for one hell of a weekend.

Poor Mena's car broke down in some strange neighborhood, and she doesn't know what to do about it. Thankfully a resident offered to help, but when she turned out her pockets, a butterfly flew out. Surely, there must be some way to thank this local hero.
